## CONCERT PROGRAM IS MADE PUBLIC

Five Artists Will Appear in  
Benefit Concert Next  
Tuesday.

### TICKET SALES LARGE

Encouraged by a successful ticket sale, those working for the concert next Tuesday in Elm Hall are predicting an unusually successful affair.

The concert will be for the benefit of the Narberth Fire Company, now making a drive for funds to pay for their recently purchased engines.

Five artists will contribute their time and talents to the success of the affair. A trio, consisting of Rosetta Samuel French, pianist; Alexander Zenker, violinist and Adolph Vogel, violincellist, will render several selections. Lulu Roth, soprano, and Evelyn Patten, reader, will furnish entertainment to supplement the instrumental music.

The Women's Community Club, whose members have taken charge of the ticket sale, report a splendid response. Mrs. L. C. Douglass, chairman, stated yesterday that many canvassers have reported, and that the sales already run into hundreds.

A program of extensive scope, and much varied, will be presented. The numbers will be as follows:

1. Suite ..... Parker  
Prelude  
Romance  
Finale
2. Song of Joy ..... Nicholas Dauty  
Vissi D'Arte, Vissi D'Amore ..... Puccini

### CRISES PASSED

Season Tickets Solve Dance Finance Problem.

The members of the Tennis Club and their friends are now assured of the pleasure of being able to attend the regular series of Winter dances. The club has come out considerably behind, financially speaking, the last two or three years during the dance seasons, and it was believed that it would be necessary to omit the dances this season. However, at the annual dinner-dance, and subsequent thereto, a sufficient number of "regulars" have pledged their financial support by promising to purchase a "season ticket." This new feature was explained at the dinner-dance, and met with unanimous approval.

A season ticket in strip form is being printed, which will consist of a ticket for each of the four dances, the dates of which are:

- Saturday, January 2.
- Friday, February 12.
- Friday, March 19.
- Friday, April 16.

The toll for a full ticket is \$4.00. Tickets purchased at any one of the dances will be \$1.25 each.

Narberth and friends are invited to all of the dances, and you should write at once for your season ticket to Mr. W. D. R. Evans, 209 Price avenue, Narberth.

We had a sample of the season's music at the dinner-dance, and its the best we've had yet.

At each of the dances there will be a surprise feature, the bigness of which will depend upon the number of additional season tickets guaranteed.

The success of the dances for the season 1925-1926 of the N. T. A. is now assured, and to share these coming good times you should reserve your tickets at once as we have not ordered more than 10,000 tickets for the first printing.

Mr. and Mrs. Albert W. Fredricks, of Haverford road, returned last week from Asheville, N. C., where they spent several weeks.

## "MOOSE" WANTED LIGHT ON ITS POLITICAL RIGHTS

A little mouse was an uninvited and unwanted attendant at the meeting of the Norristown League of Women Voters last week.

Its appearance was the sign for much disturbance on the part of the women voters and although Madam Mouse was coldly snubbed, she frequently reappeared, evidently seeking light on the matters of the rights of women in politics.

Mrs. Randolph Wright, chairman, bravely presided, and the women present, a bit apprehensive as to the close "proximity" of their traditional enemy went through the business of the session with rather more than usual alacrity.

## WELL-KNOWN MUSICIANS AT THE BAPTIST CHURCH

Two Programs Present Variety of Good Music to Community.

The regular monthly musical service of the Baptist Church of the Evangel offers an unusually attractive evening to musicians and lovers of music. The soloist is the widely-known Raymond Vetter, violinist. Mr. Vetter is a young American violinist of superior attainments, formerly first violin with the San Carlo Opera Company and guest conductor of the Fairmount Park Symphony Orchestra. He is a pupil of Dr. Thaddeus Rich and a member of the faculty of the Temple University School of Music.

"Musical America" says of him—"Raymond Vetter is a violinist with a tone of warmth and beauty, a facile technic, the intuitive knowledge of musical atmosphere and a sincere artist of serious endeavor."

His numbers include the delightful "Meditation" of Massenet and the prelude to "The Deluge" of Saint-Saens. In addition to his solo numbers Mr. Vetter will provide an obligato for three quartette numbers.

An additional offering of merit will be the organ solo, "Finlandia," an impressive tone poem of Sibelius. This will be given by Mr. Chester Norton, organist of the church.

On Thursday evening of this week at 8.15 o'clock the Board of Trustees extends a cordial invitation to the friends of the church to be present at an organ recital. The soloist is Stanley T. Reiff, Mus. Bac. and A. A. G. O. Mr. Reiff has been very kind in arranging for this musical treat. He brings with him as assisting soloist Elizabeth Porter Earle, soprano with the Philadelphia Civic Opera Company.

We have no doubt that many will avail themselves of this unusual opportunity to hear two such artists in recital.

### PLAN CHRISTMAS TREE

Community Club Will Again Direct Annual Affair.

Plans for the annual community Christmas tree are being prepared by the Civic Committee of the Women's Community Club, who directed last year's affair.

Full details have not as yet been made public, but it is expected that the affair will be similar to that held last year in Narberth Park on Christmas eve.

The affair last year was a community sing, with a lighted tree in the park. Despite very bad weather, a large number were present to enjoy the affair. Several addresses were made by Narberth clergymen.

It is hoped to have this year's celebration much larger than last. Full details will be published in Our Town.

### CELEBRATES BIRTHDAY

Many congratulations were received by August Henry Mueller, of Forrest and Windsor avenues, on Tuesday, December 1, the anniversary of his birth.

Mr. Mueller is one of the founders of the Borough of Narberth, in addition to being among its earliest citizens. He was the first Chief Burgess of Narberth when the borough was formed in 1895.

### DUE IN FEBRUARY

Rapid work on the new Community building on the playground has been proceeding at a rapid rate during the past few weeks. As a result, the building is rapidly nearing completion.

William D. & H. T. Smedley, the contractors, announced this week that it was their plan to have the building ready for occupancy some time in February.

## MAKES PLEA FOR EARLY MAILING

Packages Should Go Out  
Soon to Ease Post Office  
Load.

### NO XMAS DELIVERIES

A plea for early mailing of Christmas parcels has been made by Postmaster Fred C. Patten.

"Though special delivery letters and parcels, and special handling parcels will be delivered on Christmas day, there will be no regular deliveries on Christmas day," he said. "Parcels should therefore be mailed early in order that they might be delivered before Christmas."

"For a few days preceding Christmas the entire postal service is congested with several times the normal volume of mail. Early mailing scatters that congestion, and helps to avoid delay to your gifts. Parcel-post matter cannot be dispatched on the same trains that letters are carried on, but instead has to be sent to the various distributing offices throughout the country, hence ample time is required for the transportation of the matter to such offices, and for distribution thereat."

"Postal employees are under a heavy strain during the Christmas rush. Every package mailed early helps to lighten their burden. It is earnestly requested that gifts be mailed so as to reach destination by Saturday, December 19. If the gifts reach destination on December 19 there is ample time allowed the receiving post office to deliver them before December 24. The slogan "Mail Early" means at an early hour on an early date."

"Latest dates when to mail: For California and the Far West, Monday, December 7; for Rocky Mountain States, Tuesday, December 8; for other States of Middle-West, Wednesday, December 9; for Southern States, Thursday, December 10; for Ohio, Indiana, Illinois, Michigan, Kentucky, Friday, December 11; for New England States, Saturday, December 12; for Maryland, Virginia, West Virginia, North Carolina, Monday, December 14; for New York, New Jersey, Pennsylvania, Delaware, Wednesday, December 16; for Philadelphia City, Friday, December 18."

"Parcels must be carefully wrapped in cardboard and heavy wrapping paper and securely tied with strong twine to be insured."

### BUILDING NEARS COMPLETION

The new building of the Merion Title and Trust Company, at Narberth and Haverford avenues, is nearing completion. All of the principal construction work is finished and there remains only the installation of the vault and the partitions.

The huge door for the vault is the one now in use on the old vault of the main office in Ardmore. A much enlarged vault has just been completed in the basement of the Ardmore structure, and it is believed that the task of moving the door may be begun very shortly.

The erection of partitions and fixtures will be undertaken as soon as the vault is completed. It is expected that the new structure will be ready for occupancy shortly after the first of the year.

The company has received much praise for its share in the improvements to the corner on which the new building stands. The southeast corner has been set back and rounded, and Haverford avenue has been widened over 12 feet. The rocky, bumpy section of Avon road running to the east of the bank has been completely repaved, in addition to new paving on the Haverford avenue side.

William D. Smedley, owner of the Avon apartments also set back the corner of his property at Avon road and Haverford avenue. This is now uniform with the other corners at the lower intersection.

### OFF TO FLORIDA

Thomas A. Kerrigan, of 429 Brookhurst avenue, sailed Wednesday on the S. S. Persian of the Merchants' and Miners line for Jacksonville, Fla. He plans to spend several months in southern Florida.

### NARBERTH'S BABY STREET

Wynnedale road is only a block long, but residents of that section have filed an application for the name of "Baby Street."

It seems that since July 23, four sturdy youngsters have come to stay with families there. Burgess-elect Henry A. Frye set his fellow-citizens a good example when Henry, Jr. made Wynnedale road his address. Then followed Robert Murdock Clancy and Patricia Lee Krauskop.

On Monday Patricia's future playmate arrived in the family of Mr. and Mrs. C. H. Nold.

### DOLD IS PRESIDENT

New Officers Chosen by Fathers' Association.

At their annual meeting last night at the Boy Scout headquarters the Fathers' Association elected Edwin P. Dold their president. R. J. Nash was re-elected vice president, and E. K. Monnington, secretary and treasurer.

A troop committee was also elected, and for the next year the troop committee will be E. C. Griswold, C. M. Little, F. A. Lanan and E. T. Wolf.

Directors elected in addition were J. J. Cabrey, J. W. Ferguson and W. J. Bailey. The old Scoutmasters, F. T. Van Aiken, of Troop No. 1, and I. N. Wilson, of Troop No. 2, will be reappointed.

H. A. Frye, retiring president, presided, and at the close of the meeting very fine words of commendation for his work the past year were spoken by Messrs. Lanan and Van Aiken. It was said that while the Fathers' Association lost, the borough of Narberth gained in having him as their Burgess.

### METHODIST BAZAAR

To Be Held at Y. M. C. A. All Day Today.

The ladies of the Aid Society of the Methodist Church have completed arrangements for their annual bazaar to be held in the Y. M. C. A. all day Saturday.

This event offers to the people of Narberth a splendid opportunity to complete their Christmas shopping right at home.

An unusually fine display of hand embroidered articles will be shown. There will be homemade candies, pies, cakes and jellies. The display of dolls is to be better than ever and at very moderate prices. During the afternoon a cafeteria lunch will be served to the workers and such friends who will find it a convenience to stop and shop and enjoy the home-baked beans and other good things offered for sale. A handkerchief booth and a grab bag for the children are among the many attractive features.

### AIDING DREXEL FETE

Among the most active workers for the bazaar to be given Saturday, December 5, by the Drexel Alumnae Club, is Doris E. Eames, of Narberth, Pa. Miss Eames is a member of the Novelty Committee.

The proceeds of the affair will be used to establish an Alumnae Scholarship Fund, the income to be used to assist worthy women students in Drexel Institute.

### HOME FROM SHIP

Commander Charles H. Shaw of the Putnam spent Thanksgiving with his family at their home on Avon road. He is now stationed at New London, Conn.

## BUSINESS BEFORE WOMEN'S MEETING

Community Club Hears Reports on Drives for Red Cross and Concert.

### OTHER CURRENT NOTES

The Women's Community Club's experiment of holding a meeting devoted almost entirely to business proved a success. About 45 members gathered at 1 P. M. with their "box lunches," to which the Hospitality Committee added cakes and coffee. The jolly fellowship of the informal meal seemed to prepare the group for amiable discussion of serious matters.

Mrs. L. C. Douglass reported that 25 women from the club have been selling tickets for the Firemen's Concert on December 8 with marked success. Mrs. Batchelor, Legislative chairman, called the club's attention to a mass meeting on the World Court to be held at the Metropolitan Opera House, Philadelphia, the evening of December 15. While this meeting is being arranged by the Philadelphia Forum, the woman's clubs of the district are helping to advertise it.

After reports from the Hospitality Committee and the Civic Committee, and from Mrs. Fenno on the Red Cross Roll Call, the club discussed and adopted the amendments to the By-laws which were read to the previous meeting. The per capita membership dues now required by the State Federation were accepted, with the feeling that affiliation with the larger body is worth the added effort. Mrs. A. B. Ross, music chairman, supplied a delightful half hour of music. Mrs. Griest, formerly Miss Eva Sjöholm, gave three piano numbers and responded most generously with encores to the enthusiastic applause. The solos by Harry Messec, of All Saints' choir, were received with equal appreciation. Messec is developing a remarkable bass voice for one so young. The hostess of the afternoon was Mrs. Louis Sheneman; her assistants, Mrs. E. S. Haws, Mrs. J. Miller, Mrs. J. F. Sherron.

### DONATIONS

Are Solicited for Main Line Relief Work.

Donations of clothing, candy, nuts and groceries will be received by the women of the Auxiliary of the Narberth Presbyterian Church on Wednesday, December 9, at the church from 10 o'clock until 4.

This is the Christmas donation for the baskets to be distributed among the "handicapped." We would like the request cheerfully responded to. Kindly send parcels to the church or call Mrs. C. Kaerber, Narberth 1729, and articles will be called for.

### INDIAN TO SPEAK

Come over to the Lutheran Church on Sunday evening, December 6. Step in to the lecture room and hear a real Indian chief talk. It will be very interesting. He is a converted man and a busy evangelist.

Do not fail. We want a household.

### CONGRATULATIONS

A daughter was born on Monday, November 30, to Mr. and Mrs. C. H. Nold, of Wynnedale road.

## TEACHERS HONOR C. H. McCARTER

Retiring President of School Board Is the Guest at Dinner Party.

### RETIREES FROM BOARD

Preceding the stated meeting of the Board of School Directors on Monday, the teachers acted as hosts to the directors at a dinner party in honor of President McCarter, who retires from the board after a term of service extending over a period of 31 years.

At 6.15 o'clock the party of 28, including the five members of the board and 23 teachers, was ushered into the auditorium. Here, in the subdued light of many twinkling candles, the party was seated at tables arranged in the form of a hollow square and decorated with ferns and attractive place-cards and favors.

The bountiful repast, prepared by the domestic science classes, under the direction of Miss Eames, was served in faultless style by Misses Baughman, Clevenger, Michaelsen, Robertson and Terry, members of Kiyugan Camp Fire.

The feasting over, short, informal addresses were made by teachers and directors, all highly appreciative of the long and valuable service rendered the schools by the retiring president.

Miss Wetherill, who has given 22 years of devoted service to the schools, spoke most interestingly of the earlier period of the school's history and of Mr. McCarter's keen interest and enthusiastic efforts to build up an efficient school system.

Mrs. Elsbree, representing the younger generation of teachers, referred to Mr. McCarter's earnest support of all progressive measures, his helpful suggestions and his kind consideration for the comfort and welfare of the teaching force.

Mrs. Batchelor and Dr. King, speaking for the board, expressed deep regret that the board would no longer have the benefit of Mr. McCarter's long experience, wise counsel and able guidance.

Following the addresses, Mr. Wilson, on behalf of the entire teaching force, presented Mr. McCarter with a set of exquisite gold and enamel sleeve links as a mark of their esteem and affection. Mr. McCarter responded feelingly to this tribute from his friends and co-workers and spoke briefly of his experience as a director, tracing the development of the system from the simple one-teacher school of 30 years ago to the present complex and highly diversified organization.

The spirit of good fellowship prevailed throughout the occasion, the memory of which will linger long in the hearts and minds of those who were privileged to attend this gathering in honor of one whose service in the cause of education and especially the Narberth schools cannot be measured by the usual standards of valuation.

### HUNTING TRIP SHORTENED

A hunting trip into Potter county after big game was cut short this week, due to a slight injury to one of the members.

Messrs. Edward S. Haws and Samuel K. White, of Narberth, and Raymond J. Peck, of Philadelphia, motored last Saturday in the latter's car to the haunts of bear and deer.

The party hunted until Tuesday night when Mr. White, while pushing his way through some brush, was struck violently in the eye by a branch. The pain was so great that he was unable to use either eye.

Mr. Haws returned home with him by train, where Mr. White was treated by Dr. Frank Zentmeyer. The injury is not serious.

No kills were made by the party, but a bear was wounded. The animal was winged in the late afternoon, and the party followed the trail of blood until nightfall, when they gave it up until the next day.

During the night, however, a three-inch fall of snow obscured the tracks and the huntsmen returned home empty handed.

This is your paper and your advice is appreciated.

## Athletic Stars Are Speakers at Ardmore Chamber Dinner to Team

Leading lights in the athletic world, past and present, were the speakers at the victory dinner given the Lower Merion High football team by the Ardmore Chamber of Commerce in the Masonic Hall, in Ardmore, Tuesday night.

Among them were State Senator Fletcher W. Stites, of Narberth, former Penn athlete; Charlie Rogers, the "Camden Comet," fleet-footed Penn half-back and hero of the Penn-Cornell game; Harry Harman, coach of Haverford College and former Pitt star, and Joe Kaldenbacker, captain of Lower Merion's team of 19 years ago.

Others who spoke were Coach Albert C. Adam, of Lower Merion; Principal Charles B. Pennypacker, President Richard J. Hamilton, of the Chamber of Commerce; Elwood Rigby, of the Inquirer's sports department; Albert Lee Reinhold, secretary of the Chamber, and Mr. Grosman, athletic director at the school.

Football, of course, was the topic of all conversation and Stites and Rogers each made wonderful talks on the great autumn pastime. Stites, himself an erstwhile Pennsylvania athlete, told of many notable deeds both on the baseball and football fields. He

told of how the Red and Blue staged a great rally many years ago against Cornell after trailing at the end of the first half by 11 to 0 and won out 12 to 11 in what he and many others conceded the most spectacular battle ever waged between the two institutions, while his many other topics held the gathering in suspense for nearly 30 minutes.

Rogers told of how he and his mates before every game glanced over the cornerstone leaning from their clubhouse onto Franklin Field and read that verse inscribed by Mike Murphy, former Penn trainer, "A man that won't be licked can't be licked." Rogers informed the Lower Merion boys to keep that thought in their minds throughout their careers, while he also told of several interesting features of the 1925 season.

### Will Lose Varsity Men.

Coach Adams, who led the Lower Merion boys through the season with only one defeat marring their record, the first in three years, said it was an inspiration to tutor such lads. "Never before in my coaching career have I come across such a wonderful bunch of boys. They all stuck by me and the great cohesion with which they worked together was really remarkable.

"We lose the majority of our first string-men through graduation either in January or June, but just the same I think we will have another brilliant season next year, as we have some great material to work with," concluded Adams.

### Believes Reversal Helped.

C. B. Pennypacker, principal of Lower Merion, praised Coach Adams and his assistant, George Grossman. "We lost one game, but I think the defeat did us a world of good. The team, in my estimation, was reborn after the Wilmington setback and came through in the remaining games with flying colors. The victory over Radnor closed what I consider one of our greatest seasons in many years, considering the fact that Coach Adams was making his debut as coach and did not have much material to work with at the start of the season," said Pennypacker.

Hugh Lagan, Jr., a member of the Main Line Orchestra, followed with a violin solo, accompanied on piano by Robert Whelan.

## L. M. HIGH BEATS CHESTER BOOTERS BY 1-0 SCORE

Slack's Goal in Fourth Quarter Only Score of Fast Game.

In a well-played, interesting game of soccer, hard-fought from whistle to whistle, the Maroon and White dribblers of Lower Merion, in the closing event of the season on the home field, rounded out a successful season in a blaze of glory, defeating the strong Chester High soccer team by the margin of 1 goal to 0.

## ANNOUNCE SCHOOL HONOR STUDENTS

Dramatic and Art Classes Are Preparing for Christmas Events.

### MANY PLAYING HOCKEY

The Honor Roll for the first period in the Narberth Junior High School was announced this week. The honor students are:

First honors, Ninth Grade—Madeline Baughman, Ruth Hopkins, Ernestine Hunt, Elizabeth Terry, Katherine Smith.

First honors, Eighth Grade—Betty Jones, Alice Monks.

Second honors, Ninth Grade—Fred Bates, Dorothy Clevenger, Eleanor Michaelson.

Second honors, Eighth Grade—Dorothy Miller.

The second period of the school year ends Friday, December 4. It is anticipated that we will receive our reports December 12.

The sewing class has completed its first project and has begun its Christmas problem.

The Senior Dramatic Club and the Junior Dramatic Club have started preparation for the Christmas plays which will be given Tuesday evening, December 22.

The Arts and Crafts Club is working very industriously with Block Print Christmas cards with which they have been very successful. They also are having club pins made for the members of the club.

We regret the absence of our classmates, the Staley children, who are quarantined with scarlet fever, and Dorothy Mackell, who has diphtheria. We hope to see them back in a short time.

The second annual Athletic Association inter-class volley ball series will be open Wednesday, December 2, with the seventh grade vs. the eighth grade. All players must be members of the Athletic Association.

On Wednesday, November 25, Narberth hockey team played the Springfield Junior High School on Springfield's field. Despite the bad condition of the field as the weather was very inappropriate, our girls played a good game. The score was 1-1, Eleanor Michaelson scoring the only goal. During the game Ruth Lee Cook was hit in the mouth by a ball, Katherine Smith taking her place.

The seventh and eighth grades held a hockey game before the ninth and eighth grades game. The score was 3-0 in favor of the eighth grade.

A minor hockey game was played Tuesday, December 1 between the ninth and eighth grades, the first half being played by girls not on the varsity, and the second half was played by girls all on the varsity team. The score was 1-0 in favor of the ninth grade, the only point being scored in the last half. Editors for this week, Mildred Gilfillan and Betty Otto.

### SINGERS WERE OPTIMISTS

In reporting the union Thanksgiving service, held in the Lutheran Church on last Thursday, it was said that the Lutheran Choir rendered the music. The pianist was a Lutheran, but the singers were from the Baptist Church and very kindly gave their services for the occasion.

Sewing for Presbyterian Hospital. In addition to the regular work of the auxiliary the donations of groceries and clothing will be received for the Christmas baskets for the Shut Ins. This is the usual Christmas offering. All women of the church and auxiliary are urged to interest their friends in this work. A cordial invitation is extended to all to attend this meeting.

**BILLIARD NOTES**

Last week Cromie said he would come back after defeats by Babb, and he did. In last week's match games the score was 100 to 81, Babb says, however, that he had a splinter in his thumb, and that this Thursday's game will show a different total. This week there are to be match games between Cromie and Bill McDougall, and Babb and Augie Bailey, of local fame.

### "DESK CLEAR—ONCE"

Library Repair Desk Breaks a Record.

Just before leaving for her vacation in July, Mrs. Jesse S. Harris, the librarian in charge of mending at the Community Library, looked at her desk in great satisfaction—it was clear for the first time. Where usually there was a pile of books, never less than 20, with pages to be pasted in, torn leaves to be mended and bindings to be reinforced, there was nothing at this time save the brushes, and jars of paste, and packages of mending tissue—all articles of her department equipment. It was the first time since she had undertaken the work that she had been able to "catch up" with its insistent demands. Every one rejoiced with her when attention was called to the clean desk.

Summer-time—autumn—and Mrs. Harris' once more at her desk.

Books wear out naturally; bindings, even those from some of the best publishers, are made to stand only the once or twice reading. Accidents of various kinds happen and pages are torn. Pet dogs become interested in the new literature, expressing their reactions to it in the only way known to them. All these things combine to divert the books from their natural channel, which is in the direction of the readers, to Mrs. Harris' desk.

And so, these days, her desk is always covered with books. Whatever her real feelings may be, she is one of those librarians who, not choosing her work, does whatever seems to be needed to further the interests of the library, and her task is a difficult one. That it may not be unbearable, borrowers are requested when they have library books in their possession to treat those books with great care, to keep them from the rain, from soiled hands, from the restless activities of little children and of dogs, remembering that when books are being mended there is not only the expense of time and money for the repairing, but there is the lost time during which those books are withdrawn from circulation and other people are thereby deprived of their use.

Few people realize how much time is spent in mending books, or what skill is required. On any Thursday or Friday afternoon, if a woman is seen with a brush and paste jar, working on books at a high desk, once a part of a bookcase, down at the east end of the library, it is fairly certain to be Mrs. Harris, no longer on her vacation, but at her vocation. She will be glad to show any one who is interested the intricacies of her art, and more than glad to make suggestions on prolonging the life of any one's books.

### ALUMNI PLANS

Reward for Team—May Arrange February Concert.

The Alumni Association of Lower Merion High School is contemplating rewarding the members of this year's championship eleven with souvenir footballs or similar awards in recognition of the team's excellent record and its feat of defeating Radnor High, traditional enemy for the fourth consecutive year.

The matter will be discussed at a meeting of the directors of the Alumni which will be held next Monday evening. At this time plans will also be started for another concert in February.

Many alumni home from colleges for Thanksgiving and scores of students attended the annual Thanksgiving dance of the Alumni Association given in the high school gymnasium Saturday. The committee in charge of the dance consisted of Chester Ruddick, chairman; William Clear, Jr., Dorothy Lehr and Dorothy Robins.
